Hello, I am contacting you in regards to your Roblox chrome extension known as Old Roblox Logo

I've tried messaging you a few times I'm not sure if you saw my other email.

I would like to purchase your Chrome extension and offer you a large amount of money for ownership.

I will pay you a lot of money for it, and it will be worth it for you as my team has high hopes to grow and maintain the extension.

I can also pay you with any payment method you want, and I'll trust you and pay you first before you give ownership.

If you are interested in selling your extension to me, please let me know so we can discuss it further.

My Discord is @szdevs if you want to message me on there.
